Part 4 - GeoVisions Holiday Work/Travel Program Terms and Conditions
IMPORTANT ... READ THIS SECTION CAREFULLY. Please sign this document at the bottom of this page. You must include this document with your application.

1	I agree to follow all program rules and policies of the GeoVisions Holiday Work/Travel Program as listed in the GeoVisions Student Handbook and on the GeoVisions website and understand that the "Program Rules and Policies" section of the Student Handbook are a part of my agreement with GeoVisions. I understand that GeoVisions can terminate my participation in the program if I violate their rules.
2	I understand that if GeoVisions issues a Form DS-2019 to me, this does not guarantee I will be issued a J-1 Visa from a US Embassy or Consulate.
3	I certify that I am a full-time student and will return to my country at the completion of my program.
4	I understand that I must notify GeoVisions of my arrival in the United States within three days of my arrival at my employer. I understand that I am responsible for the costs of my transportation to my employer, and that GeoVisions must receive my arrival itinerary and ground transportation details at least 2 weeks in advance.
5	I understand that I must report to work at the employer listed on my Form DS-2019, and that I must follow procedures in the "Program Rules and Policies" section of the Student Handbook if I experience any problems. I understand that I must work for the entire time period agreed to with my employer. If I leave my job before the agreed upon "End Date", I understand that my visa may be terminated, and that this could jeopardize my ability to get future visas to the United States.
6	I understand that no job is fully guaranteed, and that, if I arrive at my employer, and my job is not available, I must contact GeoVisions immediately. If I am a participant on the GeoVisions Basic Program, and my job is not available, I will be assigned to another GeoVisions employer, which may, or may not, be in the same area, or have the same type of work. I understand that, especially at the beginning of my program, I might be working limited hours, and I must bring a minimum of \$500.00 USD with me to cover expenses during this period.
7	I understand that any estimate of weekly hours is based on an average of hours I can expect to work in a complete season. If I am forced to work an excessive number of hours, I must contact GeoVisions in accordance with the "Program Rules and Policies" section of the Student Handbook.
8	I understand that, if my employer provides housing, I am OBLIGED to live in that housing, even if I find cheaper housing in the area. If I have any problems related to housing, I should follow the procedures in the Student Handbook.
9	I agree to advise GeoVisions IMMEDIATELY if any information provided on my application or Form DS-2019 changes. This includes, but is not limited to, changes in medical information or in the start and end dates for my job.
10	I understand that I can be fired from my job. I agree to contact GeoVisions IMMEDIATELY if this happens. Being fired from my job is grounds for termination from the program, however, if GeoVisions allows me to continue on the program, I must follow the procedures in the "Program Rules and Policies" section of the Student Handbook.
11	I understand that GeoVisions respects my privacy, and thus, will not discuss matters concerning my program with any third party, unless I authorize communication with a specific third party. This authorization must be in writing, on a form available from GeoVisions.
12	I will not attempt to stay in the United States to continue working beyond the end date on my Form DS-2019.
13	I understand that GeoVisions provides medical insurance for me for the period covered on my Form DS-2019, but not for the 30-day travel period following my job. I understand I can purchase an extension of my insurance from GeoVisions.
14	I understand that violations of any program rules may result in termination from the GeoVisions Program, which will result in the cancellation of my visa. If I am terminated from the program, I understand that I must leave the United States immediately.
<p>I certify that all the information I have provided in this application is accurate. If any of the information I provided is found to be incorrect, I can be terminated from the program. I understand that the above items, and all other rules and conditions listed in all GeoVisions program information, including, but not limited to the Student Handbook, are a part of my agreement with GeoVisions.</p>
